Spring List, 1952

Leaves Only.

C.K. Reeter

P.O. Box 74

San Pedro, Calif.

because I am a hobbyist, not a commercial grower, my supply is limited. Please give second choice also. Orders will be filled in the order in which they are received. If the supply is exhausted the money will be returned.

Outside of California I ship by airmail only. For orders under \$5.00 please add 50c for postage and packing. California customers please add 5% sales tax.

Owing to several setbacks, the following varieties will be ready about June 1st.

50c each

Aida-medium dark heart-shaped leaves, slightly spooned, scalloped edges, girl spot at base. Flowers violet red, VR⁴

Blue Lady-tall, upright, Ionantha type. Clear light blue flowers, bluer than tinted Lady. Makes a striking show plant.

Caracol-Very fancy, deeply cut and curled girl type leaves. Flowers blue violet, BV². Good grower, makes a very large plant.

Fortuna-Large dark girl type leaves, rather flat growth. Flowers are violet red, RV². Makes a very large and showy plant.

Harbonne-Deeply cut, fringed and curled girl type leaves. Flowers medium violet, V². Another very showy plant. The girl spot being very large gives it a striking appearance.

25c each

Gwendolyn's favorite-tall, upright growth, medium dark, pointed rather fuzzy leaves. Flowers red violet, RV¹.

Lady Jean-medium light green, oval, rather fuzzy leaves. Flowers open violet red, VR², and fade slightly. In certain lights they appear almost rose colored.

Larkspur-Short stemmed rosette type. Blue violet double flowers.

Mere-Round, thick fuzzy leaves, violet red flowers. Looks like an intermediate sized dupont.

Oakleaf Girl-Girl type leaves with irregular lobes. Medium blue flowers with darker center.
